Secretary to Government of Mysore
General and Revenue Departments.

Sir,

In forwarding herewith the vernacular correspondence ending with the closed Divisional officer's memo 1739 dated the 26th May 1908, in re: the collection of Mohatarfa taxes in the Honganur Union of the Chamarajpet taluk for the year 1907-08 I have the honor to state that the residents of this union petitioned this office representing that for want of timely rains their tank did not receive sufficient supply of water, and that consequently they suffered great hardship. While they have been petitioning Government to grant remission for their wet lands the amildar demanded them to pay Mohatarfa taxes.

Owing to the outbreak of plague now

now and then they were obliged to live outside their village and so their houses have fallen into disrepair. They prayed therefore that the levy of Mohatarfa might be ordered to be cancelled.

3. The Amildar of Channapatna reports that in consideration of the failure of rains, and also of the formation of this village into a Union rather late in the year, the Mohatarfa taxes might be ordered to be levied from the next official year ie 1908-09. The Assistant Commissioner also supports the Amildar's proposal.

4. I therefore request that you will be so good as to obtain sanction of Government for recovering the taxes from the year 1908-09.

I have the honor to be
Sir
Your most obedient Servant

dated 27th July 1908.

Forwarding further
information with
regard to the levy
of Mohatarfa Tax
in the Hongasandra
Village in Uttarahalli
Taluk

in March 1908. These circumstances explain the statement made in this office letter No.2 dated 11th July 1908, that the Union was formed rather late in the year.

3. The demand under house-tax of Honganur Union for 1907-08 is Rs.690/- of which a small sum of Rs.17-12-0 is reported to have been collected. As the villagers complained that they were unable to pay the taxes owing among other causes, to the failure of their wet crops a recommendation was made to Government for the levy of Union taxes from 1908-09 instead of from 1907-08. Since the Union was actually constituted only in February 1908 and no expenditure for conservancy establishment or lighting charges were incurred in that year, the levy of Union taxes were recommended to take effect from 1908-09 by which it was meant that the Union taxes of the previous year 1907-08 should be remitted. If the Government is pleased to sanction the above recommendation, a remission statement with complete records will be submitted for orders as also a refund bill for the small amount of Rs.17-12-0 already collected as Union tax for 1907-08.

4. The words"Mohatarfa taxes" in this office letter No.2 dated 11th July 1908 were through oversight meant for Union "house taxes" and it was not intended to postpone the levy of mohatarfa taxes of the year 1907-08, which will be levied in lieu of the Union taxes proposed to be remitted.

5. Vernacular records bearing on the subject ending with Sub-Division Officer's yadi No.40 dated 12th July 1910 are herewith submitted.
